

Tennessee Woman RUN-DOWN NERVOUS COULD NOT REST AT NIGHT

Chattanooga, Tenn.—"About three years ago I was so broken down in health that I could scarcely get around to do my housework. My nervous system was in a terrible state—I could not rest at night and felt like crying all the time. I had had suppression for twelve months and my friends thought I was going into a decline. I was just as miserable as one could be when Dr. Pierce's Favorite Prescription was recommended to me and I am confident that this medicine not only restored me to perfect health but it saved my life. I took eight bottles and all my nervousness left me entirely. I weighed only 75 pounds when I started to take the 'Prescription' but I soon filled out until I attained my normal weight of 120 pounds. For women's ailments Dr. Pierce's Favorite Prescription is a reliable remedy and I would not hesitate to recommend it to any woman who suffers from irregularity or suppression and nervousness."—Miss TENNIE KEYLON, 304 Fifth St.

FOR YOUNG MOTHERS

Chattanooga, Tenn.—"In my early married life I was very frail and delicate. For eighteen months I was really an invalid, unable to do any of my housework. At last one of my neighbors recommended Dr. Pierce's Favorite Prescription to me to take as a tonic. When I started to take it I was indeed very miserable but my strength soon returned and I had a fine healthy boy. My health from that time on improved and I was stronger and better than I had ever been before. I cannot speak too highly of Dr. Pierce's Favorite Prescription for weak and ailing women, and as a tonic for young mothers."—MRS. ALICE HARRIS, 12 Cornelia St.

"ONLY ONE THING BREAKS MY COLD."

"That's Dr. King's New Discovery for fifty years a cold-breaker"

NOTHING but sustained quality and unflinching effectiveness can arouse such enthusiasm. Nothing but sure relief from stubborn colds, coughs and crushing new ones, grippe, throat-irritating coughs, and croup could have made Dr. King's New Discovery the nationally popular and standard remedy it is today.

Fifty years old and always reliable. Good for the whole family. A bottle in the medicine cabinet means a short-lived cold or cough, 80c and \$1.20. All druggists. Give it a trial.

Regular Bowels Is Health

Mild, comfortable, yet always reliable, Dr. King's New Life Pills work with precision without the constipation results of violent purgatives. 25c, as usual at all druggists.

Must Prove It a Fact.

The only trouble with a good opportunity is that it takes some lucky ones with a lot of nerve and pluck to demonstrate that it is good.

Catarrhal Deafness Cannot Be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrhal Deafness, and that is by a constitutional remedy. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the mucous surface.

ONE HUNDRED DOLLARS for any case of Catarrhal Deafness that cannot be cured by HALL'S CATARRH MEDICINE.

First Overhead Trolley

The first practical overhead trolley line was built in Kansas City in 1884, in which double overhead conductors were used, with a trolley wheel riding on top of the wire.

EASY NOW TO SAW LOGS AND CUT DOWN TREES

Only one man, or even a boy, with the improved Ottawa Engine Log Saw can easily cut twenty-five to forty cords a day, and at a cost of less than 2c per cord. This machine, which does all others, has a heavy cross cut saw driven by a powerful especially designed 4-cycle gasoline engine. It's a fast money-maker for those using it, and does more than ten men could do, either cutting down trees, sawing logs, or burning branches while you rest. When not sawing, the engine can be used for other work requiring power.

The entire machine is mounted on truck wheels to make it easy to move to the trees or logs, and from cut to cut on a log without stopping the engine. For moving on the road, the truck wheels are placed parallel with the skids and the rig hauled straight ahead. The wheels turn on a two-way spindle. You do not have to take them off, but can change direction of wheel travel by merely taking out a pin.

The Ottawa can be fitted for sawing down trees. It cuts level with surface of ground, thereby getting at the timber and leaving no stump sticking up. An automatic friction clutch stops the saw in case of undue resistance. Two men can fall forty to fifty trees a day in ordinary timber. The whole outfit is compact, simple, durable against a lifetime of hard wear. It sells for a low price and is fully guaranteed for reliable operation in the hands of every one who has tried to cut down and logs to work up.

Full information and low factory price to you can be had simply by addressing the Ottawa Mfg. Company 5724 Wood St., Ottawa, Kansas.

Concerning the Story of Wraps

The story of winter wraps has reached its climax, as it always does, with the arrival of the opera season. It begins early in the fall with a recital of the affairs of the stalwart coats that must bear the brunt of real service throughout the winter, and progresses through many an engrossing chapter dealing with more pretentious garments. Finally comes the resume of the brief and splendid careers of evening wraps, some of them wholly frivolous. But each season witnesses certain coats that are as rich and as useful as any; they are the best efforts of the cutters, and include the incomparable coats of fine furs.

In the same class with these, so far as beauty is concerned, are the impressive wraps that the camera has reported with such fidelity, shown above. They are made of the hand-somest fur fabrics and completed with collars of natural fur of the best grades. Each is worthy of the other.

The coat at the left is made up of a lustrous and very beautiful material which is a replica of broadtail. It is simple and enveloping with lines that are mingled with wonderful skill, so that it seems to cling to the figure. The sleeves have deep, flaring cuffs that partly cover the hands. There is the simplest of narrow girdles at the front and a big, luxurious shawl collar of fox fur. No brocade, however rich, or cloth of gold can outclass magnificent furs or do more than vie with, as perfect a semblance of them as appears in this coat.

The textile fur in the coat at the right is like sealskin, but more supple. It has a cape-yoke and sleeves cut in one with the body. Its lining is a silk crepe and the wide collar and deep cuffs are of martin fur. The design is especially becoming to slender figures and the coat is so excellent in style and rich in appearance that it belongs in the class with sealskin. Like coats of natural fur, these may appear day or night at any sort of function.

Ingenious Small Wraps of Fur

Although there has been a certain amount of reaction, in the direction of simplicity in fur garments, the mode finds place for much that may not be classed as simple. For last winter designers vied with one another in making small wraps that embodied several different styles in one garment—coats, capotes and scarfs were all suggested in a single hybrid. The designers were endlessly ingenious and the cleverness of these smaller garments gave them a charm that made a very successful appeal. So much so that the same idea has reappeared this season in fur wraps and there is a hint of it in the wide scarfs of brushed or angora wool that are furnished with belts to match.

Among the new models those that are most like a scarf, prove to be the most useful. By discarding the belt they may be worn with a tailored suit when extra warmth is required. Worn with a one-piece frock and belted down they become a coat, wonderfully becoming and convenient for afternoon or evening wear. One of the best of the new models of this kind appears at the right of the two shown in the picture. It is made in several furs: kolinsky, mink, dyed squirrel, sealskin, are all effective in it, but the furs having a dark stripe are best. It is shown in kolinsky with a wide ermine collar and a narrow belt. The stripes on the skirts are placed to run diagonally across the ends at the front and a fringe of tails adds an appearance of considerable length. The collar may be brought up in the muffler fashion.

New Plumage in Paris.

A new suggestion from Paris in the way of plumage trimming comes in the form of white peacock tails. They are being used, up to 24 inches in length, to wind around the crown of a hat. Four to five may appear in rows, with the full flat and shelling out as a trim. Paris also tells of another popular plumage in the shape of crane neck ruffles. These cannot be used in this country, because of the law on their importation, but a creditable imitation of them is being produced here in white. White coq is being shown for use in a number of pompadour and flat breast effects. Bronze coq is very well thought of.

New Ribbons.

The field of ribbon is so wide that it is not possible to outline it in a small space. Entire gowns are made of the new ribbons. Bodies are built of them to go with little skirts. Cottage houses are made of them to wear under topcoats with crepe de chine skirts.

TORPEDOED!

Don't blast your Liver and Bowels, but take "Cascarets."

You men and women who can't get feeling right—who have headache, coated tongue, bad taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach and colds.

Are you keeping your liver and bowels clean with Cascarets, or shocking your insides every few days with Calomel, Salts, Oil and violent pills? Cascarets work while you sleep; they cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels. Cascarets never gripe, sicken or cause inconvenience and Cascarets cost so little too.—Adv.

OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs. This being true, it is easy to believe that by keeping the kidneys and digestive organs cleansed and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 200 years GOLD MEDAL Haasien Oil has been relieving the weaknesses and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haasien Oil is enclosed in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill, with a swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day. GOLD MEDAL Haasien Oil Capsules will keep you in health and vigor and prevent a return of the disease.

Do not wait until old age or disease have settled down for good. At the first sign that your kidneys are not working properly, go to your druggist and get a box of GOLD MEDAL Haasien Oil Capsules. Money refunded if they do not help you. Three sizes. But remember to ask for the original imported GOLD MEDAL brand, in sealed packages.

A BLACK-DRAUGHT FAMILY

An Interesting Record

A Letter From the Mother of the Family

Winchester, Tenn., September 17, 1919.

I am the mother of seven boys and seven girls, all about grown. We, I suppose, are one of the healthiest families in the South. . . . We are a large family; you will see very few families, mother and father, with fourteen grown children, who can say that their health is better than ours, and we have used for our family medicine THEDFORD'S BLACK-DRAUGHT, and very little of anything else.

BLACK-DRAUGHT is the best liver tonic I have ever seen. We have used it for headache, torpid liver and constipation, and it is just as recommended.
